AUDIT REPORT

To the Financial Agent of The Family Party

I have audited the attached Party Election Expense Form 2008 general election (the Return) covering the regulated period, 1 January 2008 to polling day. The Return is required to be prepared in compliance with section 107 of the Electoral Finance Act 2007, and provides information about Party election expenses for The Family Party (the Party).

Financial Agent's Responsibilities

The Financial Agent is responsible for ensuring that the Electoral Commission receives the return covering the Party's election expenses incurred by the Party during the regulated period (1 January 2008 to polling day).

Auditor's Responsibilities

It is my responsibility to express an independent opinion on the Return in terms of the requirements of section 107 of the Electoral Finance Act 2007.

Basis of Opinion

An audit includes examining, on a test basis, evidence relevant to the position disclosed in the Return as regards whether or not;

the party's total election expenses exceed the maximum amount as prescribed by section 98 of the Electoral Finance Act, being \$1,220,000, and the return is correct

I conducted my audit in accordance with New Zealand auditing standards. I planned and performed my audit so as to obtain all the information and explanations which I considered necessary in order to provide me with sufficient evidence to obtain reasonable assurance that the position disclosed by the Return is free from material misstatement, whether caused by fraud or error.

Other than in my capacity as auditor I have no relationship with or interest in the Family Party.

Qualified Opinion

During the course of my work, I noted that under the Electoral Finance Act 2007;

- There is currently uncertainty surrounding what constitutes an election advertisement
- There are difficulties
 - In ensuring how many advertisements exist and how to conclude that all expenses associated with each advertisement are included
 - In establishing the commercial value of materials or advertising provided free of charge
 - In the apportionment of election expenses between individual candidates and the party as a whole
- It is possible that public funds have been used for electioneering.

In these respects alone;

- I have not obtained all the information and explanations that I have required; and
- I was unable to determine whether proper records have been kept of the party's election expenses.

However, I believe the Financial Agent has implemented appropriate controls over election expenditure, to ensure the accuracy of the return. Further, the Financial Agent of the party has as part of the audit process signed a letter of representation in connection with the Return.

Because of the potential effect of the limitation in the evidence available to me, I am unable to form an opinion as to whether the position shown in the Party Election Expense Form 2008 Election

- o does not exceed the maximum amount of \$1,220,000 specified in the Act; and
- whether the reported figure is correct.

My audit was completed on 27 February 2008 and my qualified opinion is expressed as at that date.
