Instructions

Include only election expenses. Do not include free labour, hoarding timber or replacing materials that have not been destroyed through no fault of your own - these are not election expenses.

If there is insufficient space in any section attach a separate sheet with the details.

You should apportion advertisements published both before and within the regulated period (20 June to 19 September 2014).

There is no apportionment between a third party and a candidate and/or party. Total costs of such advertisements are double counted - as both a party/candidate election expense and a third party election expense.
