# INDEPENDENT ASSURANCE REPORT TO THE PARTY SECRETARY OF TE PATI MĀORI

#### **Qualified Opinion**

We have undertaken a reasonable assurance engagement on Te Pati Māori's (the 'Party') compliance, in all material respects, with sections 210 and 214C of the Electoral Act 1993 (the "Act"), as evaluated against the Party Donations and Loans Return for the year ended 31 December 2024 (the "Return").

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion paragraph, the Party has complied in all material respects, with the Act as evaluated against the Return throughout the specified period from 1 January 2024 to 31 December 2024.

#### **Basis for Qualified Opinion**

We were unable to obtain sufficient appropriate evidence about the Party's compliance with the Act due to the following limitations:

- Donation income belongs to an organisation once it is received, but there are generally no
  practical procedures available to determine that all income of this nature, whether in the
  form of cash or as donated/discounted goods and services, received by an organisation is
  actually recorded by that entity. Accordingly, an auditor of an organisation receiving
  significant amounts of donations usually qualifies their opinions to reflect the practical
  limitations of an audit in this area.
- We are not the auditor of the Party Electorate Committees or branches; our scope was
  therefore limited in respect of assessing the completeness of donations and loans which
  may have been received and established at Local Electorate Committees or branch level.
- In addition, per s 210(1)(d) of the Electoral Act 1993, donations received from an overseas person are required to be disclosed separately in Part E and Part G of the Return. Due to the nature of how donations are generally received, controls over determining the residency status of donors is limited and there are no practical procedures to determine the effect of this limited control.

Due to the nature of the limitations above, we do not believe there is further information that can be provided to us by the Party to allow us to determine the effects of these limited controls. As a result of these matters, we were unable to determine whether any adjustments might have been found necessary in respect of unrecorded election donations or loans.

#### Party Secretary's Responsibilities

The Party Secretary is responsible for:

- a) Preparation of the Return in compliance with the requirements of the Act.
- b) The compliance activity undertaken to meet the requirements of the Act; and
- c) Identification of risks that threaten compliance with the Act identified above being met and controls which will mitigate those risks and monitor ongoing compliance.

#### Our Independence and Quality Control

We have complied with the independence and other ethical requirements of Professional and Ethical Standard 1 International Code of Ethics for Assurance Practitioners (including International Independence Standards) (New Zealand) issued by the New Zealand Auditing and Assurance Board, which is founded on fundamental principles of integrity, objectivity, professional competence and due care, confidentiality and professional behavior.

The firm applies Professional and Ethical Standard 3 which requires the firm to design, implement and operate a system of quality management including policies or procedures regarding compliance with ethical requirements, professional standards, and applicable legal and regulatory requirements.

#### **Assurance Practitioner's Responsibilities**

Our responsibility is to express an opinion on the Party's compliance, in all material respects, with the requirements of the Act as evaluated against the return, throughout the specified period. SAE 3100 (Revised) requires that we plan and perform our procedures to obtain reasonable assurance about whether the Party has complied, in all material respects, with the requirements of the Act as evaluated against the return, throughout the specified period. An engagement conducted in accordance with (SAE) 3100 (Revised) requires that we also comply with International Standard on Assurance Engagements (New Zealand) 3000 (Revised) Assurance Engagements Other Than Audits or Reviews of Historical Financial Information.

An assurance engagement to report on the Party's compliance with the requirements of the Act involves performing procedures to obtain evidence about the compliance activity and controls implemented to meet the requirements of the Act. The procedures selected depend on our judgement, including the identification and assessment of risks of material non—compliance with the requirements of the Act as evaluated against the return.

Our firm carries out other assignments for the Party in the area of audit of the financial statements and expense return. The firm has no other relationship with, or interests in, the Party.

Because of the matter described in the Basis for Qualified Opinion paragraph, we are not able to obtain sufficient appropriate audit evidence to provide a basis for a reasonable assurance opinion on the Party's compliance with the Act as evaluated against the return.

#### **Inherent Limitations**

Because of the inherent limitations of an assurance engagement, together with the internal control structure it is possible that fraud, error, or non-compliance with compliance requirements may occur and not be detected.

A reasonable assurance engagement throughout the specified period does not provide assurance on whether compliance with the requirements of the Act will continue in the future.

#### Use of Report

This report has been prepared for use by the Party Secretary for the purpose of establishing that the election donations and loans reported by the Party in the return have been appropriately determined for the purpose intended. We disclaim any assumption of responsibility for any reliance on this report to any person other than the Party Secretary, or for any other purpose other than that for which it was prepared.
