# **1 STATEMENT OF ACCOUNTING POLICIES**

#### **Reporting Entity**

The reporting entity is the New Zealand Council of the New Zealand Labour Party (the Council). These special purpose financial statements cover the activities of the New Zealand Council Head Office only. These special purpose financial statements do not include Labour Party Properties Limited, Labour Party Properties Inc, Labour Electorate Committees (LECs) or Branches of the Council, with the exception of certain tax balances as described within the accounting policies set out below.

The special purpose financial report was authorised for issue by the Council in accordance with a resolution dated 22 June 2024.

#### **Basis of Preparation**

The financial statements of the Council are special purpose and have been prepared in accordance with the accounting policies set out below. The New Zealand Labour Party Constitution and Rules 2016 require the Council to carry out an audit of their financial statements.

The accounting policies have been applied in respect to the preparation of these special purpose financial statement are set out below. There have been no changes in accounting policies during the year.

#### **Measurement Base**

The financial statements have been prepared on the historical cost basis, except for the revaluation of assets held by a third party, which is has been valued as identified in a specific accounting policy below. The financial statements are presented in New Zealand dollars (NZ\$) and all values are rounded to the nearest NZ\$, except when otherwise indicated.

#### **Comparative Figures**

Certain comparative figures have been reclassified to align with current year presentation.

#### **Particular Accounting Policies**

The accounting policies set out below have been applied consistently to all periods presented in these financial statements, and have been applied consistently by the Council.

#### (a) Trade and Other Receivables

Trade and other receivable are recognised initially at fair value, less an allowance for any uncollectable amounts. Individual debts that are known to be uncollectable are written off in the period that they are identified.

#### (b) Cash and Cash Equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

#### (c) Property, Plant and Equipment

Property, Plant and Equipment are stated at cost or fair valuation less accumulated depreciation and accumulated impairment losses.

Depreciation has been calculated using the maximum rates permitted by the Inland Revenue as follows:

Computer Equipment	20% - 50%	Straight Line & Diminishing Value
Intangible (Software)	16.67%	Straight Line
Fraser House Renovations	5% - 25%	Diminishing Value
Motor Vehicles	25%	Diminishing Value
Office Equipment	20% - 26.4%	Straight Line & Diminishing Value

Items of property, plant and equipment are capitalised which meet the capitalisation criteria, i.e. assets expected to provide benefit over one year, and exclude any items of routine repairs and maintenance in nature.

At each reporting the Council assesses whether there is an indication that an asset may be impaired. If there is an indication of impairment the carrying value of assets are adjusted to the recoverable amount.

#### (d) Revenue

Revenue is measured at the fair value of consideration received or receivable, and is recognised on the following

#### Levy Income

Levy income is recognised in the period levies are struck. Levies received which relate to the next period are considered as income in advance.

#### **MP** Contributions

MP Contributions are recognised in the period to which they relate on an accrual basis.

#### Donations

Donations including those recognised as Victory for Labour are recognised fully in the period it is received.

#### Fundraising Income

Fundraising income, which includes General Elections Revenues, Leadership revenues, By-Election revenues and appeal income are recognised fully in the period it is received.

#### Interest Income

Interest income is recognised as it accrues, using the effective interest method.

#### Affiliation Fees

Affiliation fees are recognised on an accruals basis.

#### Annual Conference

Conference income is recognised on an accrual basis when an invoice has been issued.

#### Membership Fees

Membership subscriptions are recognised fully in the period they are received.

#### (e) Inventories

Inventories are stated at the lower of cost and net realisable value. Cost is determined on a first in, first out basis.

#### (f) Employee Entitlements

Employee entitlements to salaries and wages, annual leave and other benefits are recognised when they accrue to employees.

#### (g) Goods and Services Tax

With the exception of trade payables and trade receivables, all items are stated exclusive of Goods and Services Tax.

#### (h) Income Tax

The income tax expense recognised for the year is the estimated liability for the New Zealand Council of the New Zealand Labour Party including the Labour Electorate Committees, Branches and other entities.

#### (i) Operating Leases

Operating lease payments are recognised as an expense in the period the amounts are payable.

#### (j) Assets held by third party (held on behalf)

Assets held by third party include land and buildings owned by Labour Party Properties Inc., which the New Zealand Council of the New Zealand Labour Party have the right of use to for an indefinite period. While the assets are legally owned by Labour Party Properties Inc., they are held on trust with the ultimate beneficial owner being the New Zealand Council of the New Zealand Labour Party. As a result the financial statements recognise the asset on this basis, consistent with the value in Labour Party Properties Inc.'s financial records.

# (k) Financial Assets and Liabilities

When a financial asset or financial liability is recognised initially, it is measured at its original cost.

Subsequently the financial liablity is measured at amortised cost.

Financial assets are also measured at amortised cost unless there is objective evidence of impairment in which case the asset is recognised net of impairment.

# To the Members of the New Zealand Council of the New Zealand Labour Party

# Report on the Audit of the Special Purpose Financial Statements

## Opinion

We have audited the special purpose financial statements of the New Zealand Council of the New Zealand Labour Party (the "Labour Party") which comprise the statement of financial position as at 31 December 2023, and the statement of financial performance, and statement of movements in equity for the year then ended, and notes to the special purpose financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the New Zealand Council of the New Zealand Labour Party as at 31 December 2023 and its financial performance and cash flows for the year then ended in accordance with Accounting Policies set out in the notes to the financial statements (Note 1).

### **Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing (New Zealand) (ISAs (NZ)) issued by the New Zealand Auditing and Assurance Standards Board. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Labour Party in accordance with Professional and Ethical Standard 1 *International Code of Ethics for Assurance Practitioners* (*including International Independence Standards*) (New Zealand) issued by the New Zealand Auditing and Assurance Standards Board, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Our firm carries out other assignments for the Labour Party in the area of compliance reporting in respect to donation and election expenses returns. The firm has no other relationship with, or interest in, the Labour Party.

### **Emphasis of Matter**

We draw attention to Note 1 of the special purpose financial statements, which describes the basis of accounting. The special purpose financial statements are prepared in accordance with the accounting policies set out within the financial statements and, therefore, may not be suitable for another purpose. Our report is intended solely for the Labour Party and should not be distributed to or used by parties other than the Labour Party. Our Opinion is not modified in respect of this matter.

### **Councils' Responsibilities for the Special Purpose Financial Statements**

The Council is responsible on behalf of the Labour Party for the preparation and fair presentation of these special purpose financial statements in accordance with Accounting Policies set out in Note 1 and for such internal control as those charged with governance determine is necessary to enable the preparation of special purpose financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the special purpose financial statements, those charged with governance on behalf of the entity are responsible for assessing the Labour Party's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Council either intend to liquidate the Labour Party or to cease operations, or have no realistic alternative but to do so.

# Auditor's responsibilities for the Audit of the Special Purpose Financial Statements

Our objectives are to obtain reasonable assurance about whether the special purpose financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (NZ) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these special purpose financial statements.

A further description of the auditor's responsibilities for the audit of the financial statements is located on the External Reporting Board's website at: <u>https://www.xrb.govt.nz/standards/assurance-standards/auditors-responsibilities/audit-report-8/</u>

# Restriction on use of our report

This report is made solely to the members of the Labour Party, as a body. Our audit work has been undertaken so that we might state to the members, those matters which we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Labour Party and its members, as a body, for our audit work, for this report or for the opinion we have formed.
