Dear Mr Evan Henning

**Letter of Representation for Party Donations Return
for the 2008 calendar year**

This representation letter is furnished in connection with the return of party donations for the 2008 calendar year (the return) by Jim Anderton's Progressive Party made in accordance with section 51 of the Electoral Finance Act 2007 (the Act) which has been audited by you in accordance with section 52 of the Act.

I understand that your audit was conducted in accordance with the relevant provisions of the Act and the Auditing Standards issued by the New Zealand Institute of Chartered Accountants.

I confirm and take responsibility for the following representations after taking all reasonable steps to assure ourselves of them:

- 1 The return has been prepared in accordance with the relevant provisions of the Act.
- 2 I am responsible for establishing and maintaining a system of internal control designed to provide reasonable assurance as to the integrity and reliability of the return. I have done this, and all explanations or demonstrations of this to you have been complete and accurate.
- 3 All records, documents and accounts (records) have been kept by the Party (including subsidiary entities) and made available to you, and these materials will be retained in accordance with the requirements of the Act.

- 4 We have disclosed to you:
 - 4.1 any material transactions not disclosed in the records;
 - 4.2 any alleged, suspected or proven illegal activity under the Act or other legislation potentially relevant to the return;
 - 4.3 the fact of, and results from, any assessment made by me that considered whether the records of the Party may be materially misstated or incomplete for any reason.
- 5 The return contains the total returnable donations received by the Party in the 2008 calendar year. The return includes:
 - 5.1 donations in the form of money, goods or services paid for by others, discounts given on goods or services provided to the party, premiums paid in respect of good or services provided by the party, and credit provided to the party at terms more favourable than the prevailing commercial terms, including the value of GST on any of those items;
 - 5.2 donations of more than \$10,000 in aggregate from an individual donor, whether by direct donation or as a contributor to a donation, and anonymous and overseas donations and contributions of more than \$1,000;
 - 5.3 payments received from the Electoral Commission of donations protected from disclosure.
- 6 The return's contents have been determined by considering, in the following sequence, these questions and the relevant provisions of the Act:
 - 6.1 What benefits to the party were "donations"?
 - 6.1.1 What gifts of money did the party receive?

Any money donated to the party, regardless of method of payment, is a donation [section 21 definition of **party donation**]. This includes donations protected from disclosure [see below].
 - 6.1.2 What gifts of goods or services did the party receive?

Any goods or services donated to the party are donations, including the value of GST [section 21 definition of **party donation**, and section 22]
 - 6.1.3 What was the difference between the contract price and the reasonable market value (including GST) of

any goods or services provided to the party at a discount?

Where the reasonable market value is more than \$1,000, the difference in value (discount) is a donation [section 21 definition of **party donation** at paragraph (a)(i), and section 22]

- 6.1.4 What was the difference between the contract price and the reasonable market value (including GST) of any goods or services provided by the party at a premium?

The difference in value (premium) is a donation [section 21 definition of **party donation** at paragraph (a)(ii), and section 22]

- 6.1.5 What was the value to the party of the terms and conditions of any credit provided to the party on more favourable terms and conditions than prevailed at the time?

The value to the party of the more favourable terms and conditions is a donation [section 21 definition of **party donation** at paragraph (a)(iii)]

- 6.2 What donations were made to the "party"?

- 6.2.1 Was the donation provided to the party or to any person or organisation on behalf of the party?

The "party" is the registered political party [section 4 definition of **party** and paragraph 6.4 below].

Apart from candidate donations [paragraph 6.3 below], all donations received throughout the party administration whether at the national or local level (or other subsidiary entities) must be returned as being received by the party.

The only segment of political parties recognised distinctly in electoral law is "candidates" (and Members of Parliament, for some election expense purposes only).

- 6.3 Do any of the donations identified above, or components of those donations, fall within the party donation exclusions? [section 21 definition of **party donation** at paragraph (b)]

- the labour of any person provided free of charge by that person
- any candidate donation that is included in a candidate donation return
- Do not include these items in the calculation of party donations.

6.4 Apart from donations protected from disclosure, which persons made "donations" to the party and which persons made "contributions to a donation"? [section 51(1) and paragraph 6.5 below]

6.4.1 Did person A make the donation directly to the party (or any person or organisation involved in the administration of the affairs of the party)?

If yes:

- Person A is a "donor" and made a "donation" [section 21 definition of **donor** and definition of **party donation**].

Include this donation in the calculation of donations from person A.

If no:

6.4.2 Did person A give the donation to another person or organisation (person B) to forward on (transmit) to the party?

If yes:

- Person A is a "donor" and made a "donation" [section 21 definition **donor** and definition of **transmitter**, and section 23].

Include this donation in the calculation of donations from person A.

- Person B is a "transmitter" and is not a donor [section 21 definition **donor** and definition of **transmitter**, and section 23].

Do not include this transmission in the calculation of donations or contributions from person B.

If no:

6.4.3 Did person A give the donation to another person or organisation (person C) with the knowledge or expectation that it would be wholly or partly applied to funding a donation?

If yes:

- Person A is a "contributor" and made a "contribution to a donation" [section 21 definition of **contribution** and definition of **contributor**].

Include this contribution in the calculation of contributions to donations from person A.

- Person C is a "donor" and made a "donation" [section 21 definition of **donor** and definition of **donation funded from contributions**].

Include the donation that person A contributed to (that is, the entire donation that was given to the party by person C) in the calculation of donations from person C.

NOTE: whether an intermediary is a **transmitter** of a donation on behalf of a donor, or is a **donor** making a donation funded from contributions, will be a question of fact taking into account all of the provisions pertaining to **transmitters** and **contributions**.

6.5 Which donations must be included in the return? [section 51]

6.5.1 Which donors donated more than \$10,000 in aggregate during the calendar year? [section 51(1)(a)]

This includes any donations made through a transmitter [paragraph 6.4.2 above]

6.5.2 Which contributors to a donation contributed more than \$10,000 in aggregate during the calendar year? [section 51(1)(b)]

6.5.3 Which anonymous donations or anonymous contributions to a donation exceeded \$1,000 and who was the excess returned or paid to? [section 21 definition of **anonymous**, section 30 and section 51(1)(c)]

6.5.4 Which donations or contributions to a donation made by overseas persons exceeded \$1,000 and who was

the excess returned or paid to? [section 32(1) definition of **overseas person** and the remainder of section 32, and section 51(1)(d)]

6.5.5 How much did the party receive from the Electoral Commission in payments of donations protected from disclosure and how much interest was included in those payments? [section 41(1) and section 51(1)(e)]

➤ Include in the return all donations and contributions falling into these categories.

- 7 Where an assessment has been made of the reasonable market value of a donation, the basis of the assessment is fair and appropriate, and has been properly applied and recorded.
- 8 Any and all misstatements you have identified during the course of your audit have been adjusted in the final return.
- 9 We have completed our own procedures, distinct from your audit processes, to evaluate the accuracy and completeness of the return.
- 10 The return is free of any material misstatements or omissions.

These representations are made in terms mutually agreed between us, and to supplement information obtained by you from the records of the Party and to confirm information given to you orally.

Yours sincerely,

Philip Thomas Clearwater
Party Secretary
and Financial Agent

We have audited the party donation return (the Return) on pages 1 to 6. The Return sets out party donations received as defined under the Electoral Finance Act 2007.

Party's responsibilities

The Party's Financial Agent is responsible for the preparation of the Return. The Return includes a statutory declaration by the Financial Agent and Party Secretary, declaring that, to the best of his or her knowledge and belief, -

- (i) The return correctly sets out all the information required to be provided under section 51 of the Electoral Finance Act 2007; and -
- (ii) A fair assessment has been made of the reasonable market value of donations, if any, of the kind described in paragraph (a)(i) or (ii) of the definition of party donation in section 21(2) of the Electoral Finance Act 2007.

The Return covers the 2008 calendar year.

Auditor's responsibilities

It is our responsibility to;

- (i) State the position shown by the Return in respect of the requirement that the Return fairly reflects the party donations received by the financial agent; and -

Basis of opinion

An audit includes examining, on a test basis, evidence relevant to the amounts disclosed in the Return. It also includes assessing significant estimates and judgements made by the Financial Agent and Party Secretary in the preparation of the Return.

We conducted our audit in accordance with generally accepted auditing standards in New Zealand and the Electoral Finance Act 2007. We planned and performed our audit so as to obtain all the relevant information and explanations we considered necessary. We obtained sufficient evidence to give reasonable assurance that the Return is free from material misstatements, whether caused by fraud or error.

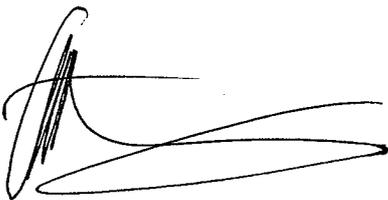

Other than in our capacity as auditor, our firm carries out no other assignments or work for the Party.

Unqualified Opinion

We have obtained all the information and explanations we have required.

In our opinion, the Jim Anderton's Progressive Party donations return fairly reflects the party donations received and required to be disclosed under section 51 of the Electoral Finance Act 2007.

Our audit was completed on the 27th of April 2009 and our unqualified opinion is expressed as at that date.
