# **DONATIONS** Complete Parts A to E

#### Information on Candidate Donations

Candidates are required to include in the candidate return every candidate donation or contribution to a candidate donation of more than \$1,500 (including GST), including a series of donations or contributions made by one person that adds up to more than \$1,500.

#### Candidate donations

A candidate donation includes any money, goods or services that are donated to a candidate, or a person on the candidate's behalf, for use in the candidate's campaign for election. The following are candidate donations:

- free goods or services that have a reasonable market value greater than \$300 (or \$50 if provided by an overseas person);
- discounted goods or services where the reasonable market value of the goods or services is greater than \$300 (or \$50 if provided by an overseas person);
  - the difference between the contract or agreed price and the reasonable market value of those goods and services is a donation;
- the purchase of goods or services from the candidate at a value that exceeds their reasonable market value;
  - the difference between the price paid and reasonable market value is a donation:
- extending credit to a candidate on favourable terms;
  - the value of the favourable terms is a donation.

#### The following are not a candidate donation:

- free labour
- goods or services provided free of charge to a candidate, or to any person on the candidate's behalf, that have a reasonable market value of \$300 or less (or \$50 or less if from an overseas person), or
- money provided by the candidate for his or her own campaign.

#### Instructions for Part A

For donations of more than \$1,500 (other than anonymous donations or overseas donations) you need to record the name and street address of the donor, the date the donation was received and the amount received from the donor.

Where you have received a number of donations from the same donor you should include each date on which a donation was received from the donor and the aggregated total from the donor. Aggregated donations are not contributions and do not have to be recorded in Part B.

You also need to confirm whether any person (other than the donor) has contributed more than \$1,500 to the donation (or more than \$50 if the contributor is an overseas person). Contributions of more than \$1,500 must be disclosed in Part B (or Part E for contributions of more than \$50 from an overseas person).

#### Example:

John Smith owns a publishing company. On 1 November 2022 he gives you goods for your campaign valued at \$1,000. On 10 November 2022 he also gives you a monetary donation of \$4,000. The money was given to you as the result of a fundraiser which John Smith organised and includes a contribution from Jane Jones of \$2,000.

# **ELECTION EXPENSES** Complete Parts F and G

Your election expenses during the regulated period (14 July to 13 October 2023) must not exceed \$32,600 (including GST). It is an offence to spend more than this.

#### Information on Candidate Expenses

Candidate election expenses are the costs of advertising in any medium that:

- may reasonably be regarded as encouraging or persuading voters to vote, or not to vote, for an electorate candidate (whether or not the name of the candidate is stated), and
- are published, or continue to be published, during the regulated period for the general election, and
- are promoted by the candidate or with the candidate's authority.

#### Election expenses include:

- the costs incurred in the preparation, composition, printing, postage and publication of the advertisement, and
- the reasonable market value of any material used or applied towards the advertisement provided to the candidate for free or below reasonable market value.

A candidate's deposit or the costs of hall hire, refreshments, the conduct of surveys or opinion polls, free labour, the framework that supports hoardings (other than a commercial framework) or replacing materials that have been destroyed through no fault of the candidate are not election expenses.

Further guidance is available in the **Candidate Handbook** - **General Election 2023**.

#### Instructions on how to complete Part F

You should record all election expenses incurred in relation to candidate advertisements published, or continued to be published, during the regulated period for the general election promoted by you or with your written authority.

For advertisements published both before and during the regulated period you should apportion the costs so that only a fair proportion of the expenses are attributed to being incurred during the regulated period. Only record the amount attributable to the regulated period in the return.

Disclose the total amount incurred on election advertisements (including GST) published during the regulated period even if payment for the advertising was made outside of the regulated period.

A candidate loan is a written or oral agreement under which a lender lends money to a candidate for their campaign.

Money lent by a registered bank at a commercial interest rate is not a candidate loan, nor are credit cards and overdraft facilities with registered banks.

All candidate loans, no matter the size, must be reported in **Part H**. Loans from the same lender need to be aggregated.
