Part II Candidate Election Expenses

Instructions

Complete sections A to D.

Write 'nil' if you have no expenses to declare in a section.

Include only election expenses. Do not include your candidate nomination deposit or the costs of food, hall hire, survey or opinion polls, free labour, hoarding timber or replacing materials that have been destroyed through no fault of yours - these are not election expenses.

If there is insufficient space in any section, attach a separate sheet with the detail.

In the brief description, include identifying information on the advertising and publicity including date, volume, duration, content and size as appropriate. Where an expense item has been apportioned between the candidate and either the party or another candidate consult with the party secretary/other candidate to ensure a consistent item description and indicate the percentage of the costs apportioned as a candidate expense.

Include election expenses paid for by a third party that promoted your candidacy and which were authorised by you.
