An overseas person is:

- an individual who resides outside New Zealand and is not a New Zealand citizen or registered elector; or
- a body corporate incorporated outside New Zealand; or
- an unincorporated body that has its head office or principal place of business outside New Zealand.

On 1 January 2020, the Electoral Act 1993 was amended to lower the overseas donation threshold from \$1,500 to \$50. If you receive a candidate donation from an overseas person exceeding \$50 (including free goods and services or a discount on goods or services exceeding \$50) you may retain \$50 of that donation. The balance of the donation must, within 20 working days of receipt, either be

ELECTION EXPENSES Complete Parts F and G

Information on Candidate Expenses

Candidate election expenses are the costs of advertising in any medium that:

- may reasonably be regarded as encouraging or persuading voters to vote, or not to vote, for an electorate candidate (whether or not the name of the candidate is stated), and
- are published, or continue to be published, during the regulated period for the general election (18 August to 16 October 2020), and
- are promoted by the candidate or with the candidate's authority.

Election expenses include:

- the costs incurred in the preparation, composition, printing, postage and publication of the advertisement, and
- the reasonable market value of any material used or applied towards the advertisement provided to the candidate for free or below reasonable market value.

A candidate's deposit or the costs of hall hire, refreshments, the conduct of surveys or opinion polls, free labour, the framework that supports hoardings (other than a commercial framework) or replacing materials that have been destroyed through no fault of the candidate are not election expenses.

Your election expenses during the regulated period must not exceed \$28,200 (including GST). It is an offence to spend more than this.

Further guidance is available in the **Candidate Handbook – General Election and Referendums 2020**.

Instructions on how to complete Part F

You should record all election expenses incurred in relation to candidate advertisements published, or continued to be published, during the regulated period for the general election (18 August to 16 October 2020) promoted by you or with your written authority.

For advertisements published both before and during the regulated period you should apportion the costs so that only a fair proportion of the expenses are attributed to being incurred during the regulated period. Only record the amount attributable to the regulated period in the return.

Disclose the total amount incurred on election advertisements (including GST) published during the regulated period even if payment for the advertising was made outside of the regulated period.

The description of the item should be sufficient to identify where and when it was published. Where another person has initiated the advertising you should also include the name of the promoter in the item description.

Election and referendum expenses can't be apportioned. If you published advertising during the regulated period that promoted you as a candidate and one or more referendum options, the full cost counts as a candidate election expense and a referendum expense. You only need to complete a referendum return if you spend over \$100,000 on referendum advertising in respect of either referendum during the regulated period.
