#### INFORMATION ON CANDIDATE DONATIONS AND ELECTION EXPENSES

#### WHO MUST FILE A RETURN?

All candidates for the by-election must file a return of candidate donations and election expenses. Even if you have no donations or expenses to declare, you **MUST** still complete the candidate return recording 'NIL' donations or expenses.

#### **KEEPING RECORDS OF DONATIONS AND EXPENSES**

Candidates must keep good records of all candidate donations and candidate expenses. Candidates must keep invoices and receipts for all election expenses of \$50 or more for three years after returns are filed.

Further information on candidate donations and expenses is available in the Candidate Handbook - By-Elections.

## **DONATIONS Complete Parts A to E**

#### Information on Candidate Donations

Candidates are required to include in the candidate return every candidate donation or contribution to a candidate donation of more than \$1,500 (including OST), including a series of donations or contributions made by one person that adds up to more than \$1,500.

#### **Candidate donations**

A candidate donation includes any money, goods or services that are donated to a candidate, or a person on the candidate's behalf, for use in the candidate's campaign for election. The following are candidate donations:

- free goods or services that have a reasonable market value greater than \$300 (or \$50 if provided by an overseas person);
- discounted goods or services where the reasonable market value of the goods or services is greater than \$300 (or \$50 if provided by an overseas person);
  - the difference between the contract or agreed price and the reasonable market value of those goods and services is a donation;
- the purchase of goods or services from the candidate at a value that exceeds their reasonable market value;
  - the difference between the price paid and reasonable market value is a donation;
- extending credit to a candidate on favourable terms;
  - the value of the favourable terms is a donation.

Labour or free goods or services given to a candidate that have a reasonable market value of \$300 or less (or \$50 or less if from an overseas person) are not a candidate donation. Nor is money provided by the candidate for his or her own campaign.

#### Instructions for Part A

For donations of more than \$1,500 (other than anonymous donations or overseas donations) you need to record the name and street address of the donor, the date the donation was received and the amount received from the donor.

Where you have received a number of donations from the same donor you should include each date on which a donation was received from the donor and the aggregated total from the donor. Aggregated donations are not contributions and do not have to be recorded in Part B.

You also need to confirm whether any person (other than the donor) has contributed more than \$1,500 to the donation (or more than \$50 if the contributor is an overseas person). Contributions of more than \$1,500 must be disclosed in Part B (or Part E for contributions of more than \$50 from an overseas person).

#### **Examples:**

John Smith owns a publishing company. On 1 June 2022 he gives you goods for your campaign valued at \$1,000. On 10 June he also gives you a monetary donation of \$4,000. The money was given to you as the result of a fundraiser which John Smith organised and includes a contribution from Jane Jones of \$2,000.

#### PART B: CONTRIBUTIONS OF MORE THAN \$1,500

#### Instructions for Part B - Contributions

A contribution is money, goods or services that makes up a donation or is included in a donation or has been used to wholly or partly fund a donation, that was given to the donor or a person who was expected to pass the contribution to the donor.

Only complete Part B if the donation in Part A includes a contribution, from someone other than the donor, exceeding \$1,500.

#### For each contribution recorded in Part B you will need to provide:

• the name and street address of each contributor; and

- the amount of each contribution made by the contributor or, in the case of multiple contributions, the total amount of the contributions; and
- the date on which each donation funded from the contributions was made (this should be the same date included in Part A for the related donation).

Please do not include Part B total with overall donations total on page 1 of the return.

#### Instructions for Part C – Anonymous donations

An anonymous donation is a donation made in such a way that the candidate who receives the donation does not know the identity of the donor and could not, in the circumstances, reasonably be expected to know the identity of the donor.

If you receive an anonymous candidate donation greater than \$1,500, you may retain \$1,500 of that donation. The balance of the donation must, within 20 working days of receipt, be paid to the Electoral Commission for payment into a Crown bank account.

#### In the candidate return, you must disclose:

- the date the donation was received; and
- the amount received; and
- the date payment to the Electoral Commission was made; and
- the amount paid to the Electoral Commission.

- an individual who resides outside New Zealand and is not a New Zealand oitizen or registered elector; or
- a body corporate incorporated outside New Zealand; or
- an unincorporated body that has its head office or principal place of business outside New Zealand,

If you receive a candidate donation from an overseas person exceeding \$50 (including free goods and services or a discount on goods or services exceeding \$50) you may retain \$50 of that donation. The balance of the donation must, within 20 working days of receipt, either be returned to the overseas person who made the donation, or if this is not possible, be paid to the Electoral Commission. Further guidance is available in the *Candidate Handbook* - *By-Elections*.

#### In the candidate return, you must disclose:

- the name and address of the overseas person; and
- the date that the donation was received or, in the case of multiple donations, the date each donation was received; and
- the amount of the donation or, in the case of aggregated donations, the total amount of the donations; and

If you receive any donation from a donor who is not an overseas person that includes a contribution from an overseas person greater than \$50 (either on its own or when aggregated with all other contributions to the donation by the same overseas person), you must return the whole donation to the donor. If that is not possible, you must forward the whole donation to the Electoral Commission.

#### In the candidate return, you must disclose:

• the name and address of the overseas person; and

- the amount of the contribution or the total amount of aggregated contributions; and
- the date on which the related donation funded from the contribution was made; and

## ELECTION EXPENSES Complete Part F

#### Information on Candidate Expenses

Candidate election expenses are the costs of advertising in any medium that:

- may reasonably be regarded as encouraging or persuading voters to vote, or not to vote, for an electorate candidate (whether or not the name of the candidate is stated), and
- are published, or continue to be published, during the regulated period for the by-election (10 May to 17 June 2022), and
- are promoted by the candidate or with the candidate's authority.

#### Election expenses include:

- the costs incurred in the preparation, composition, printing, postage and publication of the advertisement, and
- the reasonable market value of any material used or applied towards the advertisement provided to the candidate for free or below reasonable market value.

A candidate's deposit or the costs of hall hire, refreshments, the conduct of surveys or opinion polls, free labour, the framework that supports hoardings (other than a commercial framework) or replacing materials that have been destroyed through no fault of the candidate are not election expenses.

Your election expenses during the regulated period must not exceed \$57,200 (including GST). It is an offence to spend more than this.

### PART F: CANDIDATE ELECTION ADVERTISING

Further guidance is available in the **Candidate Handbook – By–Elections**.

#### Instructions on how to complete Part F

You should record all election expenses incurred in relation to candidate advertisements published, or continued to be published, during the regulated period for the by-election (**10 May to 17 June 2022**) promoted by you or with your authority.

For advertisements published both before and during the regulated period you should apportion the costs so that only a fair proportion of the expenses are attributed to being incurred during the regulated period. Only record the amount attributable to the regulated period in the return.

Disclose the total amount incurred on election advertisements (Including GST) published during the regulated period even if payment for the advertising was made outside of the regulated period.

The description of the item should be sufficient to identify where and when it was published. Where another person has initiated the advertising you should also include the name of the promoter in the item description.
